

# BALLOT PAPER NOTES

## ELECTION OF DIRECTORS

During the past year we have continued to populate the organisation structure with a number of volunteers taking up important positions. This has included two specialist appointments to the Board during the period since the last AGM. These appointments now need to be confirmed by the Members and we would ask that you give them your support.

### **PAUL NEWBOLD**

Paul was co-opted to the Board on 4th October 2009 and has specific responsibility for the development of the Merchandising activities of the Association. He comes with a background in the electrical manufacturing industry and has worked in various management roles, currently being employed as the Logistics Manager for a lighting distribution centre near Derby.
